Kochi's very own hospital

# Fifty years of caring for Kochi, together.

Indira Gandhi Co-operative Hospital is owned by the community it serves — a hospital built on co-operation, now bringing advanced specialist care to Kadavanthra and beyond.

Our story | Leadership | Team | Achievements | Careers

**50+**
years serving Kochi as a co-operative

**25+**
specialities under one roof

**24/7**
emergency, ICU, OT and blood bank

**7,000**
free dialysis sessions for those in need

OUR STORY

## A hospital the community built for itself.

IGCH began as a co-operative effort: citizens of Kochi pooling together so that good medical care would be within everyone's reach. Five decades on, that idea still shapes how we work.

[Founding story, the people behind it and the early years — to be supplied by IGCH.]

**Cochin Co-operative Hospitals Society Ltd.**
Registration No. E.288 · IGCH is a unit of the Society

| | | |
|---|---|---|
| [Year] | **The idea** | A group of citizens proposes a co-operative hospital for Kochi. [to confirm] |
| [Year] | **Doors open** | The first OPD and wards begin serving patients. [to confirm] |
| [Year] | **Super specialities arrive** | Cardiology, oncology and other specialist services are added. [to confirm] |
| [Year] | **Accreditation** | NABH accreditation and CGHS empanelment. [to confirm] |
| 2026 | **A new chapter** | A new identity, a new website and Kerala's first 5G Smart Ambulance. |

The co-operative difference

## Care that does not turn anyone away for want of means.

**Free dialysis**
For patients who need it and cannot afford it.

**Weekly camps**
Free or subsidised consultations.

**80G donations**
Tax-exempt gifts fund this work.

Make a difference | How donations help

LEADERSHIP MESSAGES

# Find the right specialist, in three steps.

Over 25 specialities under one roof — from heart and cancer care to children's health and emergency medicine.

What do you need help with?

A condition, treatment or doctor — Search

Cardiology | Cancer care | Paediatric cancer care | Dialysis | Emergency care | Psychiatry

1 **Choose a group**
Super, broad or clinical support

2 **Pick a department**
See what each one treats

3 **Meet doctors & book**
Profiles, timings, appointment

STEP 1 · CHOOSE A GROUP

## Three ways into the right department.

### Super Specialities 10

Advanced, single-organ expertise for complex conditions.

Cardiology | CTVS | Medical Oncology | Surgical Oncology | Paediatric Oncology | Neurology | +4 more

View all 10 departments →

### Broad Specialities 14

Everyday and family care, from medicine and surgery to Ayurveda.

General Medicine | Paediatrics | Orthopaedics | Obstetrics & Gynaecology | Dental | Ayurveda | +8 more

View all 14 departments →

### Clinical Support 7

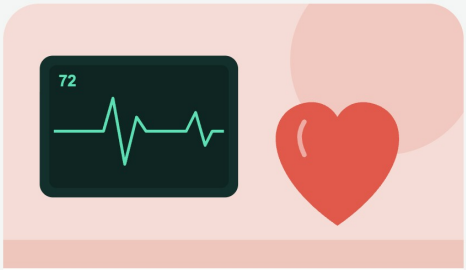

The teams and technology behind every diagnosis and treatment.

Emergency Medicine | Anaesthesiology | Radiology & Imaging | Microbiology | EECP | +2 more

View all 7 departments →

CENTRES OF EXCELLENCE

# Where Kochi comes to us for the hard cases.

Cardiology

## Karunya Hridayalaya Cardiac Centre

Interventional cardiology and cardiothoracic surgery in one team, including the leadless pacemaker.

**Meet the cardiac team →**

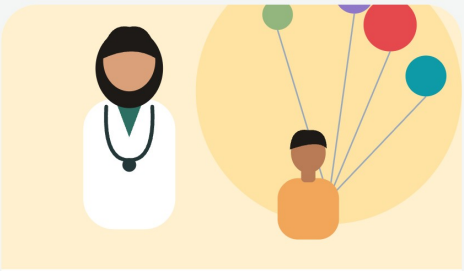

Oncology

## Cancer care led by Dr. V.P. Gangadharan

Medical and surgical oncology — diagnosis, chemotherapy and surgery coordinated by one team.

**Meet the oncology team →**

Paediatric Oncology

## Cancer care for children

Specialist treatment for childhood cancers, with families supported at every step.

**Learn more →**

STEP 3 · MEET YOUR DOCTOR

# Already know who you need?

Speciality: All specialities

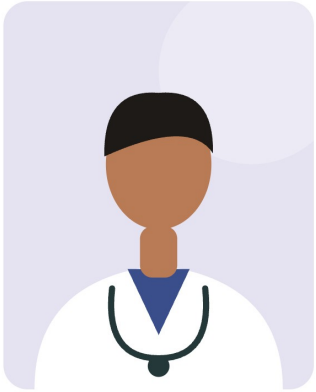

Doctor's name: Search by name

Day: Any day

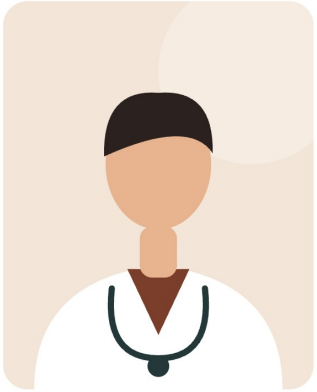

**Find a doctor**

**Dr. V.P. Gangadharan**
Oncology

**Dr. Nigil Cletus**
Cardiology

**Dr. George J. Valooran**
Cardiothoracic & Vascular Surgery

**Dr. Jojo V. Joseph**
Surgical Oncology

QUICK CHECK

## Not sure which department?

**I have chest pain. Where do I go?**

Go straight to Emergency, open 24 hours. For a planned check-up, book Cardiology. [Medical review pending]

**Can I see a doctor without a referral?**

**Do you treat children with cancer?**

Emergency · 24 × 7

## Don't wait for an appointment in an emergency.

# Clinical Support

The teams and technology behind every diagnosis, operation and recovery — working around the clock so your doctor can do their best.

Super Specialities | Broad Specialities | Clinical Support

7

clinical support departments

Emergency Medicine · 24 x 7

## Emergency care, any hour of any day.

Our emergency team is ready round the clock, backed by ICU, operation theatres and a blood bank — and Kerala's first 5G Smart Ambulance.

0484 294 1600

Call now

STEP 2 · PICK A DEPARTMENT

## Seven teams that keep care moving.

### Emergency Medicine

24/7

Round-the-clock emergency and trauma care.

View department →

### Anaesthesiology

Safe anaesthesia and pain control for surgery.

View department →

### Radiology & Imaging

X-ray, ultrasound, CT and other scans.

View department →

### Microbiology

Laboratory testing to identify infections.

View department →

### EECP

Non-invasive therapy to improve heart circulation.

View department →

### Physiotherapy

Rehabilitation to restore movement and strength.

View department →

### Dietetics

Nutrition planning for recovery and long-term health.

View department →

HOW SUPPORT WORKS

# Behind every treatment, a team you never meet.

**Diagnose**
Imaging and laboratory teams give your doctor clear answers, fast.

**Treat safely**
Anaesthesia and emergency teams keep you safe through procedures.

**Recover well**
Physiotherapy, EECP and dietetics support you back to health.
